Minden

Wednesday, December 19, 1984

Raising their voices in songs of the season, members of the First and Second Brownie Packs and Minden Guides, entertained shoppers Saturday afternoon in downtown Minden. In addition to singing a selection of carols, home baked goods were offered for sale. The girls also set in place a wild-life Christmas tree decorated with edible ornaments to attract wild birds.

County rejects road proposal

An old-fashioned political free-for-all was the main bout on the card during the final County Council meeting of the year on Wednesday, December 12. At issue was a proposed bylaw affecting the future control of the Bobcaygeon road.

The bylaw proposal was originally introduced at the July 1984 meeting of County Council but was deferred because of budget restraints.

The resolution introducing the bylaw called on the County to assume the Bobcaygeon Road from the intersection of the Deep Bay Road in Minden to Highway 118, a distance of 13.1 km. It requested the county to take over the maintenance operations on the road and to carry out construction at a later date when funds were available. The road is currently the responsibility of the Municipality of Anson, Hindon and Minden.

When the proposed bylaw was reintroduced at the council meeting last Wednesday, Anson, Hindon and Minden Reeve Lyle McKnight requested a

deferral of the resolution until 1985 because of County budget restraints. Dysart et al Reeve Murray Fearrey objected to the request. He stated that under Roberts' Rules of Order, a resolution cannot be introduced a second time then deferred without discussion. "There are rules," he said. "We can't make resolutions then throw them in the garbage."

After being asked for a ruling on the matter under the County Procedural Bylaw, clerk-treasurer Wyn Lahay told council that there was no rule applying to the reintroduction of a resolution.

Fearrey reiterated his position that the resolution should be discussed and quoted from the Roberts' Rules of Conduct to support his stand.

In the discussion that followed, Fearrey said that the Municipality of Anson, Hindon and Minden was pressuring the county to take over the road. Pointing out that the Bobcaygeon Road runs parallel to

(more on page 2)

Taxes will not be sent overseas

A resolution calling for the allocation of municipal funds for overseas famine relief has been defeated by Anson, Hindon and Minden council.

A notice of motion calling for the allocation of one dollar per municipal household was tabled at the November 22 meeting of council by councillor Gary Kenney for consideration at the December 13 meeting.

Under the municipal procedural bylaw, members of council can table notices of motion for discussion at a later meeting. If the motion receives a seconder, it can be discussed and voted upon. If the motion does not receive a seconder, it dies on the agenda.

At the December 13 meeting, councillor Pat Burk told council that although she did not support the motion, she would second it so that the motion could be discussed.

In commenting on the resolution, Deputy Reeve Ed Pergolas said, "As far as the project goes, I support the idea," but he added, "I have spoken to about one hundred taxpayers and they feel that the donations should be private." He added, "People don't like being forced to pay."

Pergolas noted that the Minden Red Cross Society is taking donations for relief projects and added that he would agree to using municipal funds to advertise

the Society's fund raising effort.

Councillor Pat Burk agreed with Pergolas, "We are sort of forcing the taxpayers into this," she said.

Burk pointed out that area churches donate funds

for famine relief through World Vision and that the federal government matches these funds. "In a sense, taxpayers are already paying through the federal government," she said.

Look for us next week

There will be no interruption in the publishing schedule of The Times during the Holiday season. However, because of the Boxing Day holiday Wednesday, publication date for the next issue has been moved ahead to December 24.

The Times will be available to box holders and rural route subscribers on that date and will be delivered to area retail outlets on Monday as well.

To accommodate this schedule, advertisers are advised that copy must be submitted to The Times office by noon, Friday December 21. Your assistance in meeting this deadline will be greatly appreciated.

Young Brock Ladurantaye became so enthused with the performance of the Christmas Pageant Saturday at Hyland Crest, that he wanted to join his brother and fellow actors on stage. The members of St. Paul's Anglican Church Sunday School classes performed to the delight of their parents, fellow parishioners and residents from Hyland Crest. The pageant was followed by an evening of fellowship.

Members of the second Minden Katimavik Group take a break while moving into their residence on Newcastle Street. The group has previously carried out community projects in Winnipeg, Manitoba and St. Albert de Warwick, Quebec. During their stay in Minden, the Katimavik participants will be carrying out projects for the Ministry of Natural Resources and the Municipality of Anson, Hindon and Minden. Members include, first row, from the left, Patrick Hudson, Laurel McKay, Steve Bowering, Danielle Deblois and Irene Guerin. Second row, Stephan Plamondon, Colleen Boomer, Rene Pomminville, Peggy Delaurier, Dermot Kearny, Cathy Franklin, Rick Saran and group leader Doug Spek.

Paul Wilson selected school board chairman

Paul Wilson of Haliburton has been selected as the Chairman of the Haliburton County Board of Education.

Wilson, a trustee representing the Municipality of Dysart et al, received the only nomination for the position as chairman at the Board meeting on December 11.

He takes over from Bonnie-Lee Berry of Minden. Following the unanimous vote, Wilson thanked the trustees for their faith in him and expressed the hope that he would continue to receive the support of each member

of the Board during his term.

He complimented Bonnie-Lee Berry for her dedication and hard work during the past year and said that he was looking forward to serving as the Board Chairman.

Wilson's term began on December 11 and continues until December 1985. Linda Mumford was selected as the vice-chairman for 1985.

Mumford, who represents the public schools in Cardiff Township, narrowly defeated Cheryl Murdoch of Lutterworth Township.

Her term also began on December 11.

County council refuses to take Bobcaygeon Road

(from page 1)

Transportation and Communications to show that most of the traffic that enters Minden from Highway 35 does not continue along the Bobcaygeon Road to Highway 118. He said that there was not a high enough volume of traffic on the road to justify assumption by the county.

Pergolas responded by pointing out that studies conducted for the Official Plan of the Municipality of Anson, Hindon and Minden had produced figures that varied from those introduced by Howe.

Howe stated that the county has to consider the statistics provided by the MTC, adding that he felt the county did not need the Bobcaygeon Road.

Don Shortreed, Deputy Reeve of Sherbourne et al, commented that he did not want to see two municipalities fighting with each other and added, "We should upgrade our present system now, in these times of restraint."

Lyle McKnight rejected the comments made by Fearrey that he was pressuring the county to assume the road adding, "I take exception to Murray Fearrey's comments that we are selfish." McKnight noted that construction has been carried out on the Harburn Road by the county, adding that the Harburn Road, "only cuts off three miles (to Fort Irwin) rather than going to Eagle Lake. The Bobcaygeon Road cuts off five miles to Highway 118."

McKnight emphasised that his "biggest concern is not that you take over the road today or tomorrow, but that he wanted to make sure the road is on the needs study."

Municipalities in Haliburton County periodically

submit roads for consideration under the county needs study to determine if they qualify for assumption by the county. Such facts as Highway 35, he stated that the road did not have a priority for assumption by the county particularly at a time when provincial subsidies were being reduced.

He noted that the county had committed funds to the construction of the Ingoldsby Bridge in Minden township, adding that he considered the request for road assumption to be greedy and badly timed.

Anson, Hindon and Minden Deputy Reeve Ed. Pergolas responded that he did not agree that pressure was being put on council adding that it appeared the county was only interested in his municipality's contribution to the county budget, but was giving nothing in return.

Ross Duncan, Deputy Reeve of Bicroft, reminded council that Bicroft had opted to withdraw from the County Road system earlier this year and had not changed that position. A resolution calling for the withdrawal of Bicroft Township was defeated by county council in September.

Duncan noted that the 13 km stretch of the Bobcay-

geon Road would represent a 5% increase in the total county road system and stated that he was not in favour of the county taking over any road.

Responding to the comments by Deputy Reeve Pergolas, Fearrey pointed out that Minden receives revenue from the County through Hyland Crest Senior Citizens' Home, adding that Dysart et al ranks fourth among municipalities in County expenditures.

Pergolas responded, "You can make figures work any way you want," adding, "Where are all the schools? In Dysart!"

Bicroft Reeve Bill Howe introduced statistics compiled by the Ministry of traffic volume and future potential are considered in the study by the roads committee.

Shortreed, Fearrey, Gary McKnight and Warden Dalton MacDonald agreed that the Bobcaygeon Road should be on the needs study.

County Engineer Bill Obee then informed council that the Bobcaygeon Road had met the criteria and was now included in the needs study. At that point, Lyle McKnight asked for a recorded vote on the proposed bylaw.

McKnight and Pergolas

were the only members of council to register a vote in favour of the resolution. There were twenty recorded nay votes.

Following the defeat of the resolution, McKnight stated that he could not understand why the Roads Committee had unanimously voted to bring the bylaw to council only to have the council turn it down.

Dysart et al Deputy Reeve Gary McKnight explained that the committee had

changed its position on the Bobcaygeon Road after the construction of the Ingoldsby Bridge was

approved at a cost to the county of \$400,000.

Reeve Lyle McKnight was not satisfied with the explanation.

"It should have died on the floor at the committee

level. I don't think the committee acted in good faith," he said.

Fearrey agreed that

McKnight had a point but suggested that the committee "May have just agreed to bring it up so that

council could discuss it - not that they supported it."

Snowdon Reeve Bob Vick had the last word in the matter, "I think we have a

lot of roads that we are not looking after," he said, adding, "We have enough now with the money we have."

By virtue of the power vested in me as Reeve, I hereby declare Wednesday, December 26th, 1984 as Boxing Day in the Municipality of Anson, Hindon & Minden.

Sergeant Bill Bailey accepts a Heritage Award from Anson, Hindon and Minden Reeve Lyle McKnight on behalf of the Minden Detachment of the Ontario Provincial Police. The municipality's Heritage Awards honour individuals and organizations for contributions to the community. Reeve McKnight commended the members of the Minden Detachment for their work over the years with special emphasis on the youth program introduced into area schools and the Neighbourhood Watch program co-ordinated by Constable Gary Chapman. Taking part in the presentation were, from the left, Councillor Dave Stevens, Councillor Gary Kenney, Deputy-Reeve Ed Pergolas, Constable Gary Chapman, Sergeant Bill Bailey, Councillor Pat Burk and Reeve Lyle McKnight.

Famine relief

(from page 1)

Reeve Lyle McKnight told council that he supports the idea of providing funds for the relief projects but added that he did not feel that municipal taxpayers should be forced to provide assistance.

The Reeve added further that he was concerned that much of the relief supplied does not reach the people who are most in need but instead ends up on the black market.

He suggested that council notify the External Affairs Department outlining their concerns regarding the distribution of aid. He added that he was well aware of the problems and was not making light of the resolution, but that he would not support it.

In response to the comments of his fellow councillors, Gary Kenney stated that he felt there was a misunderstanding of the intent of the resolution. "We are not forcing ratepayers to provide funds, we are simply allocating funds."

"We make decisions with taxpayers' money all the time," he said.

He added that he felt that an allocation of one dollar per household was a minimal amount. "If every municipality in the province did the same, it would still be a drop in the bucket," he said.

He agreed that private agencies do provide relief funds, but pointed out that the Minister of External Affairs, Joe Clark, had stated recently that when severe famines receive media attention there is adequate response to the problem, but that there is not enough

relief provided when the media focusses attention on other issues.

He added that the municipality has worked along with private agencies in the past to contribute funds to community projects.

By providing relief funds the municipality would show its concern and indicate that council supported "a switch in priorities", he said. Kenney commented further that people had difficulty in relating to the seriousness of the situation because of the immense numbers of people who were affected.

His resolution, he said, "was oriented to helping children". He noted that 70% of famine victims are children and in order to bring the problem into perspective he commented, "We have been talking about this for about ten minutes. In that time, according to the U.N., 750 children under ten have died."

When the resolution was brought to a vote, Councillor Kenney was the only councillor to support the resolution.

Rotary Clubs ready for fund raiser

Service Clubs in communities across Ontario, including the Rotary Clubs of Minden and Haliburton, are gearing up for the 11th annual Timmy's Snowarama for Easter Seals. Since inception in 1974, this annual 100-kilometre ride for charity has become a major fund-raising activity undertaken by The Easter Seal Society to help further its work in caring for physically disabled children in the province.

The 1985 rally will involve snowmobilers in approximately 40 communities from Kenora to Prescott who hope to raise \$1 million this year, according to Susan MacLachy, Co-ordinator, Special Events and Publicity, The Easter

Seal Society. Last year, participants raised in excess of \$900,000.

"We are expecting about 4,500 to join in this year's series of rides scheduled to kick off on January 19," Ms. MacLachy explains. The Snowarama is organized at the community level by member service clubs and rallies will be held on successive weekend concluding March 10.

Net proceeds from this winter event are divided equally between the Society and local member service clubs and are used exclusively to enhance the children's quality of life. The Society uses its share of funds to provide services on a province-wide basis and the service clubs direct their portion at fulfilling the needs of the children who

reside in their respective communities.

In addition to the Snowarama, a number of other special fund-raising events are held during February as a prelude to the Easter Seal Campaign and the Easter Seal Telethon, March 30 and 31. The John Black Aird Corporate Ride, involving leaders from the business community, government and media, takes place February 3, 1985 in Bradford. Ten communities will participate in a cross-country Skiarama beginning in the latter part of January, and a Corpor-

ate Ski Challenge, introduced this year, is scheduled for February 17, 1985 in Barrie. This event is a team relay event, with categories for men's, women's and mixed teams.

"These winter fund-raising activities would not exist without the tremendous support of our member service clubs and the snowmobile and ski associations", says Ms. MacLachy. "We may not be able to count on the weather from year to year, but we know we can count on the generosity

(more on page 8)

Clarification

The report concerning look-alike Cabbage Patch dolls, carried in last week's edition of The Times, mentioned that some of the dolls had been removed from local store shelves because of a concern over chemical treatment in the stuffing. The Times surveyed a number of Highlands stores concerning this product.

The owner of the Pennywise store in Haliburton, Mike Biagi, has advised us that while his store does have look-alike Cabbage Patch dolls, they are not those which have been withdrawn from the market. Mr. Biagi said he checked with the supplier of the product and has been assured that the dolls he has in stock are not the ones which have been withdrawn from the market.

A Christmas wish

An item in a newspaper caught our attention earlier this week. December 17th was the anniversary of the first flight at Kitty Hawk, North Carolina by the Wright brothers. While the occasion in itself is significant, upon reflection it is what has taken place since then that is truly amazing.

In 81 short years flight technology has advanced from that frail craft, which was held aloft for a mere twelve seconds, to aircraft which cross the Atlantic in hours and powerful rockets which propel man to the moon and his machines to the outer limits of our universe. The progress of flight is only one of countless technologies which hurl us ever faster to the new frontiers, bringing once seemingly distant horizons to the present, often faster than man would like.

And yet, despite these giant steps, man still yearns for the warmth and security of more simpler times. At no other time of the year is this more evident than during the season of Christmas. Whether one finds the basis of this celebration in religious practice or in memories of happy experiences, it is truly a time of more simple values. It's a time to step out of the headlong rush to the future, to rediscover the warmth of family, friends and home.

Like the airplane, the world has come a long way in the past 81 years. Yet we still cling to those things which are most important. And so it should be.

May the good things of Christmas be yours this holiday season, and may they follow you through the year.

Editor:

I would like to express a sentiment that I share with many other people. I am extremely proud and boastful of my local Home Hardware Store. It must be rated as "Number One" for service and courtesy. Spearheading this team of co-operative, knowledgeable sales personnel is Miss Judy Jackson. Always cheerful, never too busy to help and reliably competent about intricacies that baffle the do-it-yourselfer, she is definitely an asset to Minden. Her co-workers are also deserving of this high esteem expressed by many grateful customers.

I personally find the majority of Minden Merchants friendly and wish them the Best of the Season on behalf of all their customers.

A special thank you to the Bunn's of Sears for all their patience in accepting returned merchandise. I know many people appreciate their never-failing co-operativeness.

Merry Christmas!

Bernie Davis,
Minden.

Editor:

Typical isn't it? Five reeves surveyed in Victoria county support proposed legislation by the Minister of

Municipal Affairs and Housing to tax season campers. Only one, the sixth, observed that money is brought into the community during the camping season and that municipalities should "cash in on campers when they are here instead of because they are here."

Recreational programs, such as dances, would help the tourist part out his/her money instead of the usual constant taxing. In turn, the municipality would be working for their money instead of creating another

"rip off".

Consider for a minute, what would happen to one's business if two adjacent camp sites were, in turn, in two different municipalities which charged different rates because one is myopic and the other just plain greedy?

The irony of course is that a new \$44 million federal-provincial agreement has just been signed by the respective tourism ministries --- to stimulate tourism?
Norm Mills,
Minden.

New farm loan rates

-by Bill Scott, MP-

The Minister of Agriculture, the Hon. John Wise, has announced that, effective December 10, new loans approved under the Farm Credit Act with a five-year interest rate term will be at a rate of 13.25 per cent, a reduction of three-quarters of one per cent. New loans with a ten-year term will be at a rate of 13 5/8 per cent, a reduction of one per cent. Similarly, 20 year term loans with a fixed interest rate are reduced by one per cent to

14 per cent. The interest rate on loans under the Farm Syndicates Credit Act is reduced from 13.75 per cent to 13.25 per cent.

As well, on December 10th, the Minister announced that the mandate of the Farm Credit Corporation's Appeal Boards will be expanded to include the review of Farm Credit Corporation (FCC) foreclosure cases, as of January 15,

outdoors

Federation of Ontario Naturalists

Brightening the home with twigs, boughs and wreaths of holly is one of the oldest and happiest of Christmas traditions. The custom of bringing holly into the house dates back into even earlier centuries. In ancient Rome, during the gay Saturnalia, mid-winter feast to the God of Sowing and Husbandry, Romans sent friends holly to convey esteem and good wishes.

There are two hollies native to Ontario. They are the Mountain Holly and the Common Winterberry Holly, sometimes called the Black alder.

Mountain holly is an erect, many branched shrub of moist places growing to a height of 10 feet or more. The leaves are thin and smooth and bright green above. The fruit is a purplish-red to crimson berry about 1/4 of an inch in diameter and borne on a slender purplish stalk. It is found in moist situations, low places, swamps and damp woods, especially at the edges of sphagnum bogs or tamarack swamps.

Mountain holly is widespread in southern Ontario, but commoner north of the Carolinian zone to 49 degrees north latitude.

Common winterberry holly or black alder is an erect shrub, growing 10 to 15 feet in height. The leaves are sharply serrated and are a dull or dark green above.

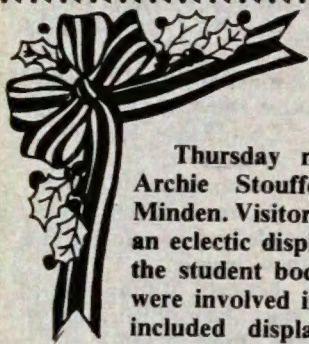

The fruit of the winterberry is a bright orange or red berry about 1/4 of an inch across. It occurs singularly or in small clusters on short stout stocks, and remains on the plant well into the winter.

The Common winterberry holly grows in moist situations such as swampy woods, and thickets, peat bogs, or low land bordering swamps, bogs and roadsides. It is widespread throughout southern Ontario and north to about 48 degrees latitude.

Unlike many of the hollies, both the Mountain and the Common winterberry holly shed their leaves in the autumn. However, the berries remain on the branches until mid-winter and a cluster of these shrubs and full fruit adds much gaiety and beauty to an otherwise drab landscape.

Of the 600 known species of holly, the English holly is the one most prized for its Christmas decorations, with the American holly as the runnerup. Holly farming is a sizeable industry in British Columbia and has been carried on there for about seventy-five years.

Earlier residents of this continent had already perceived the value of holly. Certain Indians used holly as a badge of courage and favour that would ensure success in battle. Indians of southern tribes drank holly tea to give them strength and courage in battle.

Thursday night was Open House at Archie Stouffer Elementary School in Minden. Visitors to the school were treated to an eclectic display of Christmas talent from the student body. All classes in the school were involved in the festive program which included displays of art, handicrafts, a Christmas tableau, square dancing, a performance by the Grade 8 band, and of course, an appearance by Santa Claus.

This display emphasised the contrast between the first Christmas and modern celebrations and drew attention to the plight of victims of famine and poverty in the third world. Senior class members who participated in the project include, from the left, Misti Campbell, Tina Cox, Corinne Wood, Barry Thompson, Cathy Beaver and Christa Irwin.

Below, Heather Donaldson, Kelli Dollo, Dianne Garbutt and Misti Campbell, members of the Grade 8 band, entertain visitors in the vestibule.

Amanda Stephenson tells Santa what she'd like for Christmas. She met Santa while he was visiting the kindergarten class on Thursday prior to his big night, December 25.

Heather McGann and Endres Weber were part of the Grade 4 square dancing team who performed for their visitors.

County council picks committees

The Haliburton County Council has approved the membership of the committees of council for 1985 as recommended by the steering committee. The approval was made in a resolution passed at the County Council meeting held on Wednesday, December 12.

Chairman of the Steering Committee, Murray Fearrey, told Council that the selection of the committee members had not been an easy task. The Steering Committee, he said, had to consider such factors as

experience of the members, geographical representation

and apportionment.

The Chairman added further "perhaps in the past we have taken some of the committees too lightly but this is not the case now. Since all of the committees spend tax dollars all of the committees should have a high priority", he commented.

He added that he felt there should be more dialogue between the committees and council and that the reports to council should be more detailed than they have been in the past.

This he said would ensure that the media would be kept aware of changes and problems and would also ensure that problems could be dealt with by Council before they got out of hand.

The committees for 1985 will include:

Management: Harry

Davis, Reeve of Stanhope Township; Murray Fearrey, Reeve of Dysart et al; Ron Gambell, Reeve of Lutterworth; Robert McCausland, Reeve of Glamorgan; and Mack Peters, Reeve of Cardiff.

Personnel: Murray Fearrey; William Howe, Reeve of Bicroft; Lyle McKnight, Reeve of Anson, Hindon and Minden; Keith Tallman, Reeve of Monmouth; and Robert Vick, Reeve of Snowdon.

Finance: Glynne Lewis, Deputy Reeve of Lutterworth; Edward Pergolas, Deputy Reeve of Anson, Hindon and Minden; and Donald Shortreed, Deputy Reeve of Sherborne et al.

Correspondence: Ross Duncan, Deputy Reeve of Glamorgan; and Dwain Wruth, Deputy Reeve of Snowdon.

Road Committee: (Terms as set by bylaw expire on December 31 in the year indicated): Harry Davis (1985); Lyle McKnight (1986); Keith Tallman (1987); William Howe (1988); Robert Vick (1988); and Murray Fearrey (1989).

Hyland Crest Committee of Management: Ron Gambell; Robert McCausland; Gary McKnight, Deputy Reeve of Dysart et al; Edward Pergolas; and Mack Peters.

Haliburton County Public Library Board: Council Representatives: Harry Clark, Deputy Reeve of Monmouth; Jane Franklin; and William Howe. Non-Council appointments by bylaw: Holly Sisson and Marilyn Stouffer.

Property Committee: Harry Clark; Gary Mc-

Knight; and Elgin Stouffer.

Acid Rain: Harry Davis and Ron Gambell.

Children's Aid Society: Ross Duncan.

Children's Services: Glynne Lewis.

Health: Keith Tallman.

Planning Committee: Made up of the Reeves of all municipalities.

Forest Management: Mack Peters; Elgin Stouffer and Dwain Wruth.

Water Levels: Harry Davis (William Howe, the 1984 representative will act as an alternate).

The Steering Committee was made up of the Reeves of five municipalities: Murray Fearrey, Lyle McKnight, Robert Vick, Keith Tallman and William Howe.

The Warden, Dalton MacDonald is an ex-officio member of all committees.

Council briefs

Items from the regular meeting of Anson, Hindon and Minden Council held on Thursday, December 13.

Tenders

Council awarded three tenders for 1985.

Two tenders were submitted for the maintenance of the Scotch Line Landfill site.

The tender of \$26,000 from Bill Simmerson was accepted. A second bid of \$29,500 was received from A.J. Hewitt.

There was one tender for the pickup and disposal of refuse from downtown containers. The tender from Jim Garbutt Enterprises for \$3,552 was accepted by Council.

Three tenders for fuel were received by the municipality.

The lowest tender from Sid Stamp Fuels was accepted.

The tenders for fuel were as follows: Sid Stamp Fuels: Diesel fuel .44¢/litre; Furnace oil 31.2¢/litre; Gasoline 44.8¢/litre.

Giles Connelly Fuels: Diesel Fuel 44.9¢/litre; Furnace oil 32¢/litre; Gasoline 46.3¢/litre.

John E. Francis Fuels: Diesel fuel 44¢/litre; Furnace oil 32¢/litre; Gasoline 47.3¢/litre.

Plexi-glass

Work should begin shortly on the installation of a portion of the plexi-glass at

the Minden Arena.

Council authorized the withdrawal of \$5010 from a plexi-glass fund to cover the costs of purchasing the brackets and plexi-glass that will be installed at the north end of the arena.

The project will be carried out by municipal employees.

Road funding

A resolution calling on the Province of Ontario to increase the subsidy paid to municipalities for road maintenance was supported by Council.

The resolution was circulated to all municipalities in the province by the Ontario Good Roads Association following a presentation of a brief to the Ontario Cabinet in November.

The resolution calls for an increase of \$75 million a year for the next five years beginning in 1985.

The association recommended the increase because of the deteriorating condition of municipal roads in the province.

Copies of the Anson, Hindon and Minden resolution will be forwarded to the provincial treasurer, the Secretary of the Ontario Cabinet and the Minister of Transportation and Communications.

The resolution has also received support from the Township of Stanhope, the County of Haliburton and a number of other municipalities in the county.

NOTICE

The Municipal Offices for the Townships of Anson, Hindon and Minden will be closed for the general administration purposes from Friday, December 21, 1984, at 5:00 p.m. until Wednesday, January 2nd, 1985, at 8:30 a.m.

Staff will be on hand at the following times to accept deliveries and to handle inquiries: -

Mon., Dec. 24, 1984 ... 9:00 a.m. - 12:00 noon
Thurs., Dec. 27, 1984 .. 9:00 a.m. - 5:00 p.m.
Fri., Dec. 28, 1984 9:00 a.m. - 5:00 p.m.
Mon., Dec. 31, 1984 9:00 a.m. - 12 noon

Payments made by cheque may be left at the office during the above times and will be treated as December/84 receipts.

Payments on account of property taxes may be made on January 2nd, 3rd and 4th, 1985, during regular office hours, and we will honour the December/84 penalty amounts.

Ms. B. A. Millar,
Clerk-Treasurer,

1985. The Appeal Boards will hear cases at a farmer's request, and will provide an impartial, third party analysis of each situation. Appeal Boards will have the authority to uphold the FCC decision or recommend stoppage of foreclosure action and consideration of new alternatives.

As this is my last opportunity to address you before Christmas, I would like to thank you for the kindness you have shown me over the year. I am always pleased to serve you and attend functions both large and small either in my role as your Member of Parliament or as a life-long resident.

On behalf of my wife

Betty, my children Guy and Laurie, my constituency assistants Marie and Lloyd and my Ottawa Office staff Don, Judy and Sally, I wish you and yours a very Merry Christmas and the best of life's blessings in the New Year.

Skaters who participated in the recent competitions in Lindsay include, from the left, front row, Danny Garbutt, Meaghan Obee, Janene Garbutt, Nadine Balcombe and Cori Barkwell. Back row, Jaime Dollo, Tara Kormos and Chantille McKnight.

Skaters compete in Lindsay

Eight members of the Minden Figure Skating Club took part in the CanSkate-CanFigure Scugog Frolics Skate competition in Lindsay on Saturday, December 15.

The long, dedicated hours of practice under the guidance of Werna Blakey, resulted in a strong showing by the young skaters. This

was the first year that Werna has coached in the club and her work has been well appreciated by the members and their parents.

The competition attracted figure skaters from throughout south-eastern Ontario.

Skaters who took part in the competition were grouped into flights. The top three performers from each flight then competed in the final round in each division.

Janene Garbutt placed first in her flight and first overall.

Nadine Balcombe skated to a first place finish in her flight and second overall.

Meaghan Obee placed second in her flight and first overall. Tara Kormos placed second overall. Jaime Dollo and Danny Garbutt placed second in their flights. Cori Blanchard placed fourth and Chantille McKnight placed sixth in her flights.

The Ontario auditor reports

- by John Eakins, MPP -

On Tuesday, December 4, the citizens of Ontario received the report of the auditor of his examination of selected Ontario's Ministries, agencies and boards.

Over the past two years, the Ontario Liberal Party has brought to the attention of the Legislature, numerous examples of untendered contracts in violation of the Ontario Manual of Administration.

Yet as recently as October, in response to a question on management practices in the Ontario government by the member from Grey-Bruce, the Minister of Government Services stated: "When it comes to honesty in government and above board tendering practices ... the record of this government does not hold second to any government in North America."

The entire theme of the auditor's report demonstrates just how inaccurate that statement to the Legislature was. According to Mr. Archer, much more should be done to "promote the concept of following the spirit or intent of the Manual."

Ironically, it was in reference to an LCBO consulting contract, that was duplicating work by the Ministry of Government Services, that the auditor points out "...cast doubt on the credibility of the government's tendering process."

We are pleased that the auditor has confirmed our views that there are widespread violations of the Manual of Administration

guidelines on tendering practices within this government.

Once again, we urge the government to immediately table the consultant's report on Government Management Practices which Management Board originally stated in February of this year, would be "completed by late summer." The urgent need for release of this study is demonstrated by some of the auditor's findings, which included:

- A \$20 million untendered contract awarded by the Ministry of the Environment. The Ministry stated that no one would have been interested in bidding on the contract. Yet the auditor points out that two large waste companies complained that they were not allowed to bid on this contract. To the auditor's knowledge this is the largest untendered contract, in dollar terms, that he can recall.

- At the same time that the Minister of Health is lecturing hospitals about managing their costs, the Health Ministry itself spent \$84,000 on 102,000 booklets, then threw them all out because of typographical mistakes.

- The auditor has estimated that \$14.5 million more has been spent on the drug benefit plan than was necessary. According to Mr. Archer, this mismanagement has cost Ontario consumers "millions".

- The three Ontario development corporations included in job creation projections, jobs that had been rescinded; double counted 'projected' jobs and

reported projected jobs as actuals in reports.

- At the same time the Government lectures municipalities about 'flatlining', the Provincial Secretary for Justice spent almost \$16,000 redesigning his office, which, when discovered by MGS and Management Board, was discontinued. The project still cost taxpayers almost \$16,000.

These are only a few examples of mismanagement, neglect and non-compliance with the spirit

and intent of the Ontario Manual of Administration. There is enough evidence from this report to indicate that non-compliance with the Manual is not an isolated phenomenon within one or two Ministries, but permeates the activities of the government in general.

Ontario Liberals will ensure that new procedures will be implemented to ensure that the citizens of Ontario will receive value for public money spent.

Second concert raises \$1100

The second in a series of monthly concerts sponsored by the Victoria County Country Music Association played to a full house on Sunday, December 16 and raised \$1100.00 for the Lindsay Santa Claus Stocking Fund.

Fiddlers Bob Hannon and Jamie Boyd of the Minden area took part in the fund raising concert at the Academy Theatre.

Ernest Eakins and Bill Bunjo of the Stocking Fund were on hand to accept a cheque for \$1100 from the

Association secretary-treasurer, Lisa Foster.

The Association was formed to help promote country and western music in the Victoria-Haliburton area. Proceeds from the concerts are donated to

charity drives in the two counties.

The next concert in the series will be held on January 20 at the Academy Theatre in Lindsay.

Proceeds from the concert will be donated to the CatScan fund.

TO JOHN O'TOOLE
Sorry about Dallas!

Snowarama dates set

(from page 3)

of these people". The snowarama program is sponsored by Molson Ontario Breweries Limited, with help from the Ontario Snowmobile Industry Association and thousands of volunteers.

The Easter Seal Society of Ontario, established in 1922, is the largest children's service of its kind in North America. In association with 237 service clubs, the Society provides care for approximately 6,600 physically disabled children in Ontario. Anyone up to the age of 19 years, whose activity is restricted by a disability resulting from an accident, disease, congenital defect, birth injury or amputation, is eligible for

services.

The non-profit organization directs 70 percent of its annual budget to providing care and treatment for its children, with the remaining 30 percent being used for such things as administration, research and medical services.

Funds raised through Timmy's Snowarama for Easter Seals helps maintain five summer camps and provides substantial aid to the Hugh MacMillan Medical Centre in Toronto, the Conn Smythe Research Foundation and the Blissymbolics Communication Institute.

The Minden Snowarama, sponsored by the Rotary Club, will be held January 26 in conjunction with the Winter Carnival. The route

will follow the groomed trails of the Haliburton County Snowmobile Association. Registration will begin at 7 p.m. at the Minden Community Cen-

tre. Pledge sheets and more information is available from Steve Berry at 286-2750.

The Haliburton event will be held on the same date at the Haliburton Forest and Wild Life. Sponsored by the

Haliburton Rotary Club, gasoline for the participants is being donated by Imperial Oil Limited through their local agent, Giles Connelly. For more information on the Haliburton ride, contact Kim Emmerson at 457-1550.

Home Support helping seniors

by Donna Bailey

Haliburton County Home Support Services is a registered non-profit Ontario Corporation.

We receive 50% of our funding from the Ministry of Community and Social Services and depend upon municipal grants and private donations to make up the balance. We are hoping to not only maintain our present programs, including Meals on Wheels, Home Help, Transportation Wheels to Meals, Friendly Visiting, Fone-a-Friend, Drop-in Centre programs, Educational services (swim and exercise, foot clinics, vials of life, cold air masks) but to expand them within our County.

At this time of the year

when we are thinking in terms of income tax or in terms of giving to an organization, may we suggest you consider a donation to Haliburton County Home Support Services. Donations over \$5.00 will be sent a tax deductible receipt. Our address is Box 956, Haliburton, Ontario, K0M 1S0. Our phone number is 457-2941. We are located in the Drag River Municipal Office opposite Emmerson Lumber.

We thank you for your concrete interest in our purpose "to enable seniors and disabled persons to remain in their homes for a longer period."

Our Christmas office hours are ; Closed

December 25, 26 and January 1. Other days as usual, 10 a.m. to 4 p.m. weekdays.

In the case of an emergency, please contact our president, Victoria Agnew at 448-2993.

"Merry Christmas and all the best in the New Year."

With two Minden Juvenile players in high pursuit, a Little Britain forward breaks in along the boards during a game in Minden arena on Sunday. The home team skated to a 15 to 1 romp for their twelfth victory of the season.

No stopping the Juveniles - two more wins this week

The Minden Juveniles added a pair of victories to their season's total this past weekend as they defeated Powasson 6 - 3 on Saturday and then skated to an easy 15 - 1 win over Little Britain on Sunday.

The team's record now stands at 12 wins and only one loss.

Minden was scheduled to play at home on Friday night but the game was cancelled because of the icy roads.

On Saturday the Juveniles travelled to Powasson and doubled the home team 6 - 3.

Minden scored twice in the opening period, three times in the second 15 minutes of play then added another goal early in the third period before Powasson finally found the mark and scored three goals in a row.

Leading the way for Minden was Scot Hamilton with a hattrick and an assist. Bernie Upton contributed a goal and three assists in his team's win. Singles went to Daryl Ward and Jeff Howe. Boomer Stamp, Doug Schell, Tim Wood, Chris Laporte and Barry Boice each added an assist.

The referee handed out 11 minor and one major penalty to Powasson and 15 minor penalties to Minden.

The Minden players might have been excused for being tired in the game on Sunday since they did not return from the road trip until 2 o'clock Sunday morning but the late night had no effect on their performance as they trounced the visitors from Little Britain by a score of 15 - 1.

The game was the easiest victory of the season for Minden in a schedule that has seen them win the majority of their games by lopsided scores.

Minden dominated the

game from the opening face-off scoring four unanswered goals before Kevin Smith's shutout ended when a Little Britain forward skated in alone to score a picture perfect goal. At the other end of the rink the Little Britain goalie was bombarded with shot after shot.

With Minden ahead 7 - 1 Little Britain switched goalies. A minute later Scot Hamilton introduced the fresh goalie to the game of

hockey, Minden style, by knocking in his third goal of the game to end the second period.

In the third period Little Britain was outnumbered, outshot and outscored as Minden added 7 more goals to clinch the 15 - 1 victory. Scot Hamilton added two more goals to his hat trick and also contributed four assists in the Minden win.

His linemates also had a productive night. Barry Boice snapped in two goals

and added four assists. Bernie Upton contributed two goals and three assists.

Other Minden point getters were Mike Cameron with two goals and an assist, Boomer Stamp a goal and an assist, Lennie Johnston and Chris Laporte with a goal and an assist apiece, Daryl Ward a goal, Dennis McKee three assists and Jeff Howe with one assist.

Referee Carl Parish handed out 21 minutes in penalties to Minden and 38 minutes plus a game misconduct to Little Britain.

The Juveniles have two home games coming up this weekend. On Friday, December 21 they host Woodville at 8 p.m. at the Minden Arena. On Sunday afternoon following the Pee Wee game they take on Millbrook at 5:30 p.m.

Rumour has it that a long time hockey fan from the North Pole will be dropping in to the Minden Arena to watch the Sunday game.

Pee Wees rebound after loss

After losing a home game to Little Britain, the Minden PeeWees rebounded to win their next two games in the OMHA schedule.

On Saturday, December 8, Minden was defeated 7-1 by the visitors from Little Britain. Kent Taylor scored

the lone Minden marker, unassisted.

The following day, Minden travelled to Port Carling and returned with a 5-4 victory. Joey Boyle led his team to victory in the seesaw contest, scoring three goals. Kent Taylor played

another strong game, scoring a goal and assisting on three others.

Rob Ackerblade got the winning goal with seven minutes left in the game. Assists went to Randy Bull and Jaime Dollo.

This past weekend, on Sunday, December 16, Minden hosted Humphrey at the Minden arena and skating to a decisive 7-1 victory. Goalie Lorne Greer played a solid game between the pipes allowing only one goal early in the game.

The top gun for Minden was Randy Ackerblade with four goals. Kent Taylor was again impressive as he scored three goals and assisted on a pair.

Assists went to Darren Sawyer with a pair and Randy Bull and Justin Gentle with singles.

The Minden Pee Wees will have a pair of home games coming up this weekend. On Saturday, December 22, Minden hosts Woodville at 2:30 p.m. and on Sunday at the Minden arena, the home team will be hosting Humphrey at 4 p.m.

estimated at over \$5000.

Access to the building was made by forcing a door near the loading dock.

During the same time period, Branch 129 of the Royal Canadian Legion was broken into. A door on the northwest side of the building was forced open. What police describe as "a substantial quantity of cash," was removed from the premises.

The break-ins are being investigated by Constable Bill Clendenning.

Police probe two break-ins

Thieves made off with a large quantity of cigarettes and a substantial amount of cash in two break-ins during the weekend in Haliburton Village.

According to the police, intruders broke into the Haliburton IGA store sometime during the night of December 16-17. They removed some 330 cartons of cigarettes. The value of the merchandise was

Branch 129 news

The end of the year is always a time for retrospect and evaluation. Under the guidance of President Bruce McKay, your chairmen, committees, the band and many individual members have had a busy and eventful year. While space does not permit full details, some of the highlights are given.

There has been a remarkable increase in membership with a few Ordinary members coming in, but mostly Associates and the allowable number of Fraternalists.

For the first time, Branch 129 hosted the District Convention. Zone conventions both in Lindsay and

Omemee were well represented by the Branch and the Ladies Auxiliary. The Branch sponsored four delegates to the Dominion Convention in Winnipeg and Branch officers have attended several out of town seminars.

Extensive renovations on the Legion building include redecorating the auditorium and upstairs bar, installing electric heat and purchasing new chairs for the Mountbatten room. Property has been purchased for a proposed Veterans and Seniors apartment building.

The groundwork has been completed for the Cadet movement, to be known as

the "Highland Squadron" and official papers have been sent to Provincial Command.

Remembrance services were held at both Minden and Haliburton with the annual dinner capably prepared by Mark Schell and his associate assistants in the Legion. The attendance of a few World War I veterans made this day more special. Their attendance was made possible by the efforts of one or two comrades of the Branch. Many others contributed in various ways to make both days outstanding in spite of inclement weather.

Branch 129 hosted an evening CAT Scan program for service clubs and other

interested individuals. Contributions amounted to \$14,700. In addition, several donations have been made at the four local banks where accounts have been set up for this purpose.

As well as numerous donations from \$50 to \$300 given to the many charitable organizations, Branch 129 has given sizeable donations to groups such as the West Guilford Ball Park, both Minden and Haliburton Minor Hockey Clubs and the CAT Scan fund.

The Ladies Auxiliary to Branch 129 continues to be active and without their untiring efforts, much of the success of the Branch would not be possible. Among their achievements have been generous donations to

the Branch, the Haliburton hospital and the CAT Scan fund.

Many others have played key parts in making 1984 a successful year.

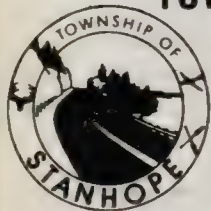

The Poppy campaign, the best one yet, was made possible by the devotion of many willing workers. The people who buy Nevada tickets and those who sell are not to be forgotten. There are the carnival and the volunteer bingo workers. There are those in charge of sports and those who participate and the comrades who have brought entertainment to the clubroom. Too, there is our padre and youth education workers and our pianist at

general meetings. The list of workers is endless, and to all those who have contributed in so many ways, to all sick comrades and to all members, President McKay and your executive extend best wishes for a very safe and happy holiday.

Mabel Brannigan, P.R.O.

CORPORATION OF THE TOWNSHIP OF STANHOPE

PUBLIC NOTICE

TAKE NOTICE that the Council of the Municipal Corporation of the Township of Stanhope proposes to enact a by-law to stop up, close and convey to the abutting property owners, those parts of the original allowance for road set out and described as follows:

FIRSTLY: All and Singular that certain parcel or tract of land and premise situate, lying and being in the Township of Stanhope in the County of Haliburton and being composed of part of the original sixty-six foot shore road allowance along the shore of Little Hawk Lake, lying in front of part of Lot 21 Concession 10 and being more particularly described as part 3 on a Plan deposited in the Registry Office for the Registry Division of the County of Haliburton as Plan 19R 3009.

SECONDLY: All and Singular that certain parcel or tract of Land and Premise situate, lying and being in the Township of Stanhope in the County of Haliburton and being composed of land designated as road allowance on Crown Land Surveys on Part Lot 21 Concession 10 and being more particularly described as Part 2 on a Plan deposited in the Registry Office for the Registry Division of the County of Haliburton as Plan 19R 3009.

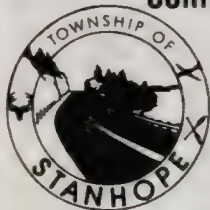

A COPY OF THE PLAN OF SURVEY as noted may be viewed at the Township of Stanhope Municipal Office during normal working hours.

THE PROPOSED BY-LAW will come before the said council for consideration at its regular meeting at the Municipal Office in the Township of Stanhope on the 9th day of January, 1985 at the hour of 11:30 A.M., and at that time, the Council will hear in person or by his counsel, solicitor or agent, any person who claims that his land will be prejudicially affected and who applies to be heard.

DATED: December 7, 1984.

senior league

by Bert Harrison

Saturday Edna Cowen and Lilly Hogg were taken for a ride, up to Haliburton for a nice dinner and all around the countryside.

It is so good that Harold and Ruth Thompson had their son and daughter-in-law and family, in the chapel service Sunday night. After singing Christmas carols, Rev. Burgess spoke saying - Jesus said, "I am the light of the world. He that believes in me will never sit in darkness, but will always have light."

Quite a lot of activity here over the weekend. Some coming to visit their mothers. I hesitate to mention any names in case I miss some others.

Dear readers, I wish you could see our lovely home now, and this is the reason. Our girls have it decorated so lovely for the festive season.

Our deepest sympathy we would like to convey to the family and relatives of Bert Bowron who recently passed away.

Quite a lot of sickness here, in this location. Our supervisor is on the sick list too.

Monday afternoon, I went down to the craft room for a cup of tea, to really explore. They were making decorations for our room doors, which is just fine. I have an angel decorating mine.

We were sorry to miss the chapel service Tuesday morning. I really miss those you know. But the doctor said, I would have to have a physical, so of course I couldn't go.

I'm sure Rev. Wicks had an interesting message and we thank him for coming today. We also would like to thank Doris for the music she did play.

I guess I will have to wait till next week for my spiritual.

By the way, my toe is all better, it really has been sore. We hope it won't be bothering me anymore.

A nice Christmas card came to all the friendly people here at Hyland Crest from Ray and Marjorie Usher, who came each Friday night, to play fine piano music and give us

what was best.

Wednesday morning down at fun and fitness, where we have a lot of fun. The game we were playing, Doris Vaughan won.

Wednesday night our musicians came. Kathy Owens from the Frost Centre, Earl Cooper and his wife Eleanor from Grass Lake, entertained us royally, they sure got what it takes. Earl with his fiddle and mandolin, Kathy with her accordion. We would like to thank them for coming and look forward when they come to visit us again.

The tea party was served Thursday afternoon by the Minden Club Kinettes. I had company but I would have been there, you bet! They said the food was good and we're sure it was. We would just like to say, thank you for coming this December day.

We would like to thank the bingo callers, who came to call the bingo numbers Thursday night. Some of the players really did all right, Carrie Jones won 5 bingos, Chris Precoor won 7. Now that's the way to go, what they're going to do with all their money we wouldn't know.

We were sorry to learn our great violin player Al Smith is under doctor's care. We are all thinking of you, and as I write this letter, that you are gaining your strength back and felling much better.

Our entertainers came this Friday afternoon. Grace Coburn to lead us in a sing along, Jean Cox to lead us in the tunes. Grace read us a real interesting story about Numerical Christmas. Which was just fine. Sang some Christmas carols and had a real social time.

Friday night we had our party of cheese and wine. It was a grand affair everything turned out fine. We had lots of musicians, Payne, Deacon, Burch and Smith. All kinds of instruments to make music with. They played round dances, we really had a ball. Especially Dick Schell, with the ladies, he was dancing with them all. We had lots of cheese, biscuits, punch and Baby Duck. The dancers danced so graciously all

around the hall. Then came the turkey draw. It was really good, one was won by Edith Welch and one by Milly Wood.

For the other turkeys, I don't know anything about, or who won them, but we'll soon find out. As for the

ones who planned all this - talent they don't lack. Don't you think we should give them a nice pat upon their back.

Now to all of our readers, and all that we hold dear, A Very Merry Christmas and A Happy New Year!!

Senior curlers host bonspiel

On December 11, the Minden Senior Curling Club was host to Seniors from the Haliburton Club and entertained a total of 14 rinks.

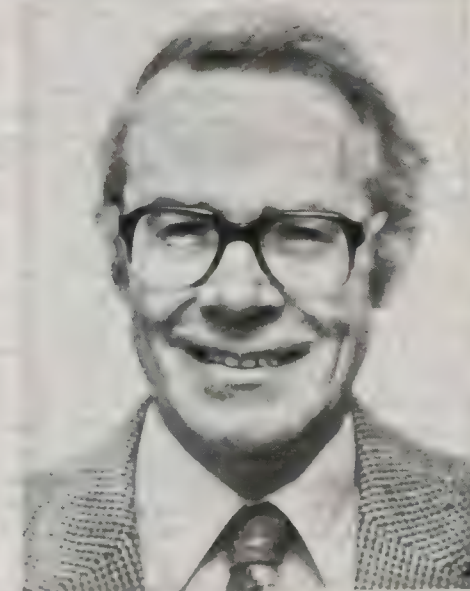

Jim Holmes, bonspiel Chairman of the host club and his efficient assistants did an excellent job in organizing and arranging the draws for 9 and 11 a.m. The competition was very keen with many close scores were in evidence and on one occasion the competing skips had to throw a tie-breaking stone. The ice was in splendid condition, the curling stones ran true and easy, which of course reduces excuses and makes for strong competition.

When all scores were tallied, the total point score showed that the Pettinger rink with Ed as skip, Peg as vice and Phil and Jane Graham as second and lead emerged as winners in total points for the first draw, followed by the Tom Hurta rink, the winner of the second draw. Tom was the skip and ably supported by

Gwen Cox as vice, George Davidson and Reg Munns as second and lead.

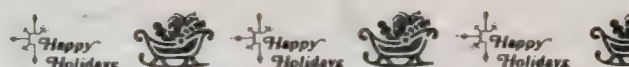

The second place winners in the first draw was skip George Dickie, vice Marj Windover, and Bill and Angela O'Neill as second and lead. The second draw runner up was Beachli rink with John as skip, Hazel Maxwell as vice, Jack Harrington as second and Doris Hart as lead.

The luncheon, with Al Stott as chairperson and Lil Davidson as 'Boss Lady' and all of his favourite ladies, did an excellent job in preparing and serving the appetizing home-made soup, sandwiches, pie and coffee. Also, adding to his talents, every participant was served a morning "heart starter" and his famous home-made bran muffins. President Harold Morgan thanked all the persons who assisted in organizing the 'spiel, the chairpersons, the ladies and all who participated in helping to make the day a harmonious and successful event.

Elgin Stouffer

Elgin Stouffer has recently completed the required licensing course and has joined the Minden Office of Bowes & Cocks Ltd. If you are considering the purchase or sale of any type of Real Estate, contact Elgin and he will be pleased to assist.

Call 286-1288 — 9 a.m. - 4 p.m.

Last week, in this column, we extended sympathy to Mrs. Campbell on the death of her father. We do apologise for any embarrassment caused, in actual fact, Mrs. Harry Campbell's brother, Harold Grice, passed away in Montreal.

Dwight Thomas dropped in recently to tell us he had heard from Mrs. Muriel Brown, a former teacher in Minden, who now resides in Brantford. She asked that her best wishes for the season be passed on to all her old friends and pupils.

In the same vein, we had a note from Mr. and Mrs. George Moulton on renewing their subscription and they too, enjoy keeping in touch with all that is happening in Minden and area and wish everyone a very Merry Christmas and a very Happy New Year.

A short note was received this week from Helmut and Irma Sersch in West Germany thanking us for mentioning their 50th wedding anniversary while on a visit to Minden. They too ask to be remembered to all their friends and acquaintances at this special time.

Congratulations are in order for various families who have added to the area population recently. Daughters were born to Wayne and Karen Sawyer, December 8, Judy and David Phillips and Berdina and Clayton Cameron on December 16. December 8 also saw the birth of a son to Andy and Sylvia Campbell - what a nice Christmas gift for all of you. Our very best wishes to babies, mothers and fathers.

Mary Goldsmith of Oshawa visited relatives one day last week.

Ada Stevens had a surprise last Thursday evening when she went for the first time to Cobocnk Legion bingo. She won the Snowball jackpot of \$150 in 54 numbers. This was a special evening as it was the Legion Ladies Bingo Christmas Party with goodies, tea and coffee and exchange of gifts by (Mrs.) Santa Clause in person.

Winners at the St. Paul's Card Party last Thursday afternoon were: Lone Hands - Betty Harper and Verna McDonald, Freda Stacey (on a cut), Sid Rowe and Charles Beharrell.

Congratulations to Carol Peacock who won the Cabbage Patch doll drawn at the I.D.A. Drug Store, Minden.

Congratulations also to Illa Cooper, Nancy Garbutt and Margot Ziorjen who took first, second and third prizes in the door decoration contest sponsored by Minden and District Horticultural Society.

There will be free Christmas movies for children on December 22 from 1:15 p.m. to 2:15 p.m. at the Library/Cultural Centre. The holiday hours for the library are:

Closed - December 24, 25, and 26. Open December 27 from 3-5 p.m. and 7:30 to 9 p.m. December 28 3 - 5 p.m. and 7:30 to 9 p.m. December 29 - 3-5 p.m. and December 31 3 - 5 p.m. The library will be closed January 1 opening January 2 from 3 - 5 p.m. We also pass on the good wishes to each and every one of you from the Minden Library Staff and committee.

A Christmas Concert will be presented Thursday evening at Haliburton Highlands Secondary School featuring the Stage Band, Concert Band, Grade 9 Band and a Country-Western group, under the direction of music teacher Rick Vaughan. The fun will commence at 8 o'clock and tickets are available from students or at the door. Adults \$2.00, students \$1.00 and children under 12 admitted free. Don't miss

this opportunity to see the youth of Haliburton County "strut their stuff."

Monday evening winners at Club 35's weekly card party were: Most lone hands - Mervin Bunker, high man -

A Christmas Wish

The night is still, and dark, and deep
With mingled thoughts I cannot sleep,
And so I lie awake in bed
With thoughts and visions in my head,
Thoughts that take me back in time
To another place, another clime
Back to where the shepherd saw the star
And worshiped its brilliance from afar,
And three Wisemen carrying
Their gold and frankincense and myrrh
Dressed in lavish robes of gold and fur
Travelled to where the star brightly shone
Above a rude manger a babe was born.
"No room, no room" the Innkeeper said
So Joseph and Mary made a bed
Of straw
With gentle animals in awe,
The Prince of Kings and Universe was born.
He brought with him his love and forgiveness
For all Mankind.
But people would not understand
It was a love for every land -
Not for race or creed or colour
But for mankind and his brother.
The Wisemen knelt and adored him
And they saw before them
The gentleness of the scene
Where no other man had ever been,
The star shone its brightness everywhere
And if we but look
It still shines there
For those who are wise enough to see
That love is there for you and me.
And at this special time and for eternity
I say to you
"Bring the mistletoe and holly
'Tis the season to be jolly
When God rest ye gentlemen is sung
God Bless us and Merry Christmas Everyone."

Our poem this week is from our old friend Yvonne Guida whom we'd also like to thank for the lovely gift she left for the Times staff to share.

George Alsop and high lady - Shirley Bunker. The door prize went to Art Verbaan while the other winners were, Greta Alsop, Ruth Cummins and Murray Daniels.

kid's korner

by Jean Lacey

Hi Kids!

Here is another puzzle for you with a word list. Look in the diagram of letters for the words given in the list. Find them by reading up, down, forward, backward and diagonally. They are all in a

straight line and do not skip letters. Some have hidden words or sayings, some do not. Circle the words in the diagram and cross it off in the list.

It's as easy as that. Have fun.
